

SOUTH AFRICAN FRIENDS OF ISRAEL

Professor WA Liebenberg
Hebraic Roots Teaching Institute

9th May 2012

Dear Professor Liebenberg,

ASSOCIATION BETWEEN HRTI AND THE SOUTH AFRICAN FRIENDS OF ISRAEL

It was a great pleasure of having the opportunity of meeting with you and gaining such a strong insight into the "Hebraic Roots Teaching Institute".

It is clear that we share a common interest in the destiny of the Jewish people and Israel.

It is therefore fitting that we have decided to establish an association between our two organisations.

I look forwards to working together with you and your institute on projects of mutual interest and benefit.

Best Regards,
