HTG/HRTI

Re: Association

Dear Prof (Dr.) WA Liebenberg;

In response to your email we officially want to associate together with you in support of Israel (Judah and Ephraim) among the nations.

We would be blessed and honored to become a part of your association in order to show unity in our common goal of teaching the Torah, and proclaiming Messiah Yeshua, The Living Torah and Redeemer of Israel.

We accept Association with HTG/HRTI.

Shalom In Yeshua
