Prof WA Liebenberg

HRTI- RSA

Shalom Brother Liebenberg,

We are happy and willing to associate with your organization as we have similar interest and concerns in spreading HIS word. We are also willing to be your International agents in distributing your books which would encourage and enlighten our believers in Yeshua. We would also like you to affiliate our School of Biblical Hebrew –HOREB (House of Research and Education in Bible).

Thanking you in anticipation.

His servant

J. Ferdinand Fernandez
