Re: Ministry Affiliation

Dear Prof. Liebenberg,

We would like to ask for a Formal Covering or Affiliation for Tree of Life Messianic Ministries. Tree of Life Messianic Ministries is the ministry outreach of Rabbi Mordecai Silver. Tree of Life Messianic Ministries is the publisher and distributor of Mordecai Silver's books, CD's and DVD's and co-publishes along with Etz Chayim-Tree of Life Messianic Congregation a weekly on-line Newsletter with Mordecai's weekly Torah teaching and news from Israel as well as points of interest from a Jewish perspective.

Tree of Life Messianic Ministries also has a Prison Outreach throughout the United States providing Mordecai's books to prisoners to help them in their understanding of the Messianic Jewish lifestyle of Yeshua and Torah. Our Prison Ministry also advises several prison groups as well.

In closing we thank you for your consideration in this matter.

Blessings to you all,

Mordecai Silver
Rabbi
