Re: Congregational Affiliation with HRTI

Dear Prof. Liebenberg,

We have been impressed with HRTI for some time now and we have been searching for a group we can affiliate with whose beliefs are in accordance with ours but we know we may not agree on everything. Your Ordination of Rabbi Michael 'Mordecai' Silver the spiritual leader of Etz Chayim-Tree of Life Messianic Congregation since 1995 is greatly appreciated and we ask with all humility you consider formally accepting Etz Chayim-Tree of Life Messianic Congregation and provide our congregation with a Formal HRTI Covering.

In closing we once again thank you and wish you peace and blessings as we move forward in taking Yeshua and Torah to the world.

Shalom,

Michael Silver
Rabbi
